

God Almighty

From the Album: Faithful by Ted Jiboye

I can search through all eternity
I won't find one, not one beside you (thee)
Everlasting, ever living king
I have never ever seen you change

Chorus

God Almighty, Lord of glory
Giver of life, immortal God
The Lion and the lamb
Beginning and the end
Invincible God
Forevermore you are faithful

I will praise you all my day
I will proclaim your mighty name
As far as east is from the west
For far you've taken our sin and shame

You are awesome, you are great
You reign supreme, your ways are just
I will be glad, I will rejoice
For you are with me father you are
