

## **Bless The Lord**

**From the Album: Faithful by Ted Jiboye**

To him who by all wisdom made the Heavens  
Whose loving kindness stays the course forever  
To him who reigns in heaven in awe and wonder  
He alone is God there is no other

### **Pre chorus**

Every tribe, every tongue  
With one voice  
Lift him high

### **Chorus**

Bless the lord and bless his holy name  
He remains the same he's never changed  
Wisdom, power, majestic full of grace  
Forevermore he is God
