

## Faithful

From the Album: Faithful by Ted Jiboye

Faithful, faithful, gracious father

Merciful, wonderful loving saviour

You never cease to amaze me

You never ever give up on me

You are always on time, your love is everlasting

You patiently give away, stay the same throughout the age

You never cease to amaze me

You never ever give up on me

You are faithful God x2

I'm never forgotten, I am never forsaken

You keeps on loving me, never failing

Your praise, I will raise

Through all my day

You will forever remain my king

You are faithful God x2

I know who you are

You are faithful God
